

**16th CMAS
Finswimming World Cup 2022**

Technical Information Paper

**22nd – 24th of April 2022
Leipzig, Germany**

16th CMAS Finswimming World Cup 2022

Leipzig/GER | 22nd – 24th April 2022

0. Provisions about COVID, hygiene and health

For participation in the World Cup event, vaccination or test certificates are **not** needed. There are no access restrictions.

Following the hygiene guidelines of the pool-operator (University of Leipzig), all persons must **wear a medical mouth-nose-mask in the swimming pool building**, especially when the distance of 1,5m to other persons cannot be kept. This is not valid for athletes while their competitions and for judges.

Organizers ask and recommend:

Please check if all athletes and persons are healthy and please make a precautionary COVID-test for the health safety of you and all other persons! Let's stay on the safe side!

1. Competition check-in / Registration

The competition check-in/registration for all teams will be possible on **Friday 22nd April from 3.00 pm to 8.00 pm** and on **Saturday 23rd April from 7.30 am to 8.30 am**.

The check-in is located at the right side in the foyer of the swimming pool.

Following points will be done while check-in:

- Payment (if not paid by bank transfer) and billing of organization fees
- All teams receive a welcome-bag including the official programme-brochure and startlist
- All relating teams will get the sheets for registration of athletes' names and order for the relays.
- Reply to all questions that are not answered until then.

2. Training possibility for Friday, 22nd April

There is the possibility of free training for the teams on Friday, 22nd April.

- **4.00pm – 7.00pm on four lanes**
- **7.00pm – 9.00 pm on two lanes**

Please use only the marked lanes and respect each other.

3. Equipment check

Equipment check will be in the pool (right after the changing cabins, warm-up area) on **Friday, 22nd April from 4.00 pm to 8.00 pm** and on **Saturday, 23rd April from 7.30 am to 8.30 am**.

Please bring all equipment (fins, snorkles, bottles) to the checking.

Furthermore judges (prestart) are allowed and will control the equipment while the competitions.

16th CMAS Finswimming World Cup 2022

Leipzig/GER | 22nd – 24th April 2022

4. Procedures while the competition

Opening Ceremony:

The official opening ceremony will be held before morning session on **Saturday 23rd April at 9.00 am.**

Judges, officials (VIP) and **one representative of each participating team**, in that order, will march into the pool-area from the warm-up-area. For that, **one person of each team** must come to the **warm-up-area** so the march-in can be prepared.

Please send your team representative to the warm-up-area for **8.45 am**, so the timetable of competition can be observed.

Planned start of march-in and ceremony is 9.00 am!

Look at subitem 11 (pool building plan) to find the warm-up area and follow the signs in the pool.

Award Ceremonies:

The award ceremonies will be held according to the official schedule - but any short-termed changes are possible. **Please listen to the announcements of the speakers.**

The medalists will be called and asked to come next to the pre-start-area, near the competition office.

5. Further information

- The **corridor on the upper floor** of pool building, right behind the glass-wall behind the tribune, **must be kept free** because of fire safety regulations! It's forbidden to store luggage or sit down there. The staff will control that and ask to remove luggage in case.
- The lockers in the changing cabins can be used only with 2€-coins.
- No glass-bottles are allowed in the pool-area.
- The pool building will be very crowded. Please be respectful of the other teams and use the outside area as well. Thank you!
- There will be possibility of using **physiotherapy** offer. Physiotherapy is located in the warm-up area.

6. Get together event, only for team leaders and guests

Organizers friendly invite all **team leaders and VIP guests** to a get together event in the partner hotel (H2 Hotel Leipzig) on **Saturday, 23rd April at 9.00 pm**. Just follow the signposting or ask the hotel staff. Snacks and softdrinks (non-alcoholic) are free.

7. For teams with own car: green environment sticker

City of Leipzig is an environmental zone. All cars need a green sticker when they drive to Leipzig. Otherwise, fines can be possible. Vehicles with foreign license plates also require a sticker. You will receive this after crossing the border upon presentation of the vehicle registration certificate or the registration certificate Part I, for example from authorized vehicle workshops, officially recognized monitoring organizations for vehicle traffic and the vehicle registration offices. You can find multilingual information on the environmental zone and sticker at <http://www.umwelt-plakette.de/>

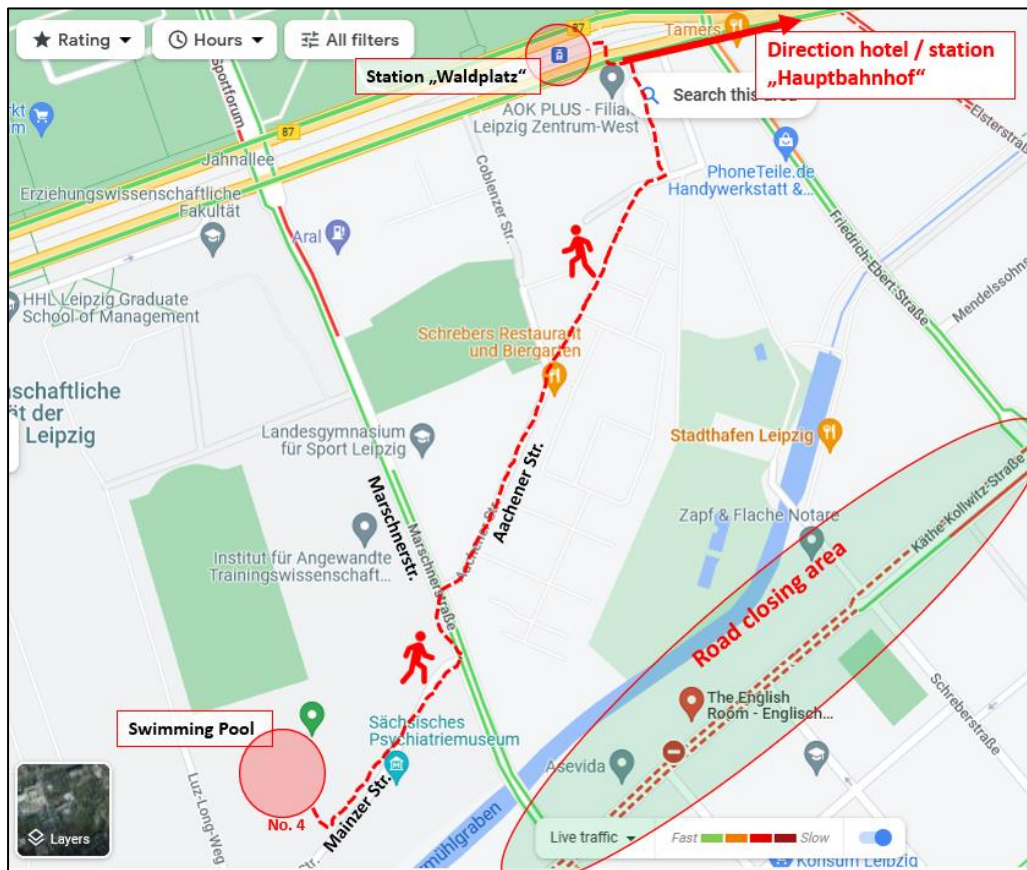

8. Connection by tram hotel-pool-hotel & traffic situation

The traffic and parking situation in Leipzig and especially around the swimming pool is not the best. In addition, the **soccer match of Red Bull Leipzig vs. Union Berlin will take place on Saturday, 23rd April at 3:30 pm**. The stadium is not far from the swimming pool, the side street of the swimming pool is often used for parking, so parking will be difficult Saturday afternoon. In addition, an **access road near the swimming pool, Käthe-Kollwitz-Str., is closed** due to a large construction site.

Therefore, **organizers recommend using the tram between hotel and pool!** Teams which booked accommodation in the partner hotel H2 Hotel Leipzig, please use the following tram connections:

- From hotel to pool: tram 3, 4, 7, 8 or 15 / station “Hauptbahnhof” to station “Waldplatz” (it’s four stops only)
- From pool to hotel: tram 3, 4, 7 or 15 / station “Waldplatz” to station “Hauptbahnhof” (it’s four stops only)
- At the ticket machines you can buy single ticket for short distance (4 stops, “Kurzstrecke”) for 2€ or buy 4-ride-ticket for short distance (4 stops, “Kurzstrecke”) for 8€.
- Station “Hauptbahnhof” is just 100m far from the hotel (ask hotel staff).
- Station “Waldplatz” is just 700m far from the pool.

The following map is showing the foot walk from pool to station “Waldplatz”:

16th CMAS Finswimming World Cup 2022

Leipzig/GER | 22nd – 24th April 2022
